The Michigan Department of Health and Human Services (MDHHS) invites public comment on the Title V Maternal and Child Health (MCH) Block Grant application. Title V of the Social Security Act of 1935, as amended, provides funding to states to improve the health of mothers and children. Each year, MDHHS opens the draft application for comment prior to submission to the U.S. Department of Health and Human Services for funding of services for pregnant women, mothers, infants, children, adolescents, and children with special health care needs.

A press release is available at <http://www.michigan.gov/mdhhs/0,5885,7-339-71692-357635--,00.html>. The draft application can also be accessed directly at <http://www.michigan.gov/mdch/0,4612,7-132-2942-331594--,00.html>. Public comments must be received by July 3, 2015
